This week the Academic Emphasis Committee is sponsoring a series of discussions from the Book of Mormon entitled, "Morality in the Scientific Age."

Five articles dealing with this will appear in this week's Universe. They will be contributed by BYU faculty members. The first one, is by Dr. Chauncey Riddle, Chairman of Graduate Studies in Religion, and Professor of Philosophy.

SUCCESSFUL ARTICLES will be written by Glen Pearson, Associate Professor of Religious Instruction; Robert Thomas, Assistant Professor of English and Director of the Honors Program; Stephen Covey, Administrative Assistant who received a M.B.A. at Harvard; and President B. West Belnap, Dean of the College of Religious Instruction.

Two lectures on this week's program will be presented by Dr. Hugh Nibley, Professor of History and Religion, at 2 p.m. Tuesday in 184 JKB; and by Reid Bankhead, Associate Professor of Religious Instruction, at 2 p.m. Wednesday in the SFILC Lounge.

A PANEL discussion will highlight the week with Louis Midgley, Assistant Professor of Political Science, Dr. Hugh Nibley, and Dr. Chauncey Riddle as panel members. It will take place Thursday at 3 p.m. in 184 JKB.

THE Academic Emphasis Committee chose "Progress and Morality" to be this year's topic for discussion in an attempt to make the students more aware of the present-day problems in our age of unprecedented technical development and cultural sophistication. MANY ISSUES caught up in this topic have been treated this semester in the areas of science, technology, and morality by the speakers

who have come to campus for the purpose of participating in the program.

The initial speaker, Dr. Neils F. Ferre, touched many questions concerned with theology. Dr. C. West Churchman, a Berkeley professor of scientific methodology, discussed the interplay between religion and science.

Another lecturer, Dr. O. Hobart Mowrer, put forth his views regarding psychology and religion. And Dr. Melvin A. Cook, the most recent speakers, roused students and faculty members alike with his theories in the field of geology.

ALL OF these men, who each

participated in panel discussions with BYU faculty members, are outstanding in their various fields and respected throughout the nation.

"It is our feeling," said Noel Reynolds, Chairman of the Academic Emphasis Committee, "that Latter-day Saints, we have scriptures which give answers to many of the critical questions and issues raised by this semester's speakers."

"Therefore," he concluded, "we have arranged a Book of Mormon series to create an opportunity for the student body and faculty to carefully examine these answers."

Author Will Lecture On Mormon Positions

Jerred L. Newquist, author of the book *Prophecy, Principles, and National Survival*, will be on the BYU campus for three lectures Monday as a guest of the BYU Young Americans for Freedom.

NEWQUIST will discuss such topics as Joseph Smith's warning to those who might try to interfere with the plan of the Lord pertaining to the Negro, Communism and its threat to the Church of Jesus Christ of Latter-day Saints and why the church supports right-to-work laws.

He will also discuss the questions: Have any of the Prophets advised Mormons to join non-Church organizations for the protection of freedom? Why did President McKay say the Supreme Court was leading America down the road to atheism? Why did J. Reuben Clark in 1945 call the United Nations a war organization and the U.S. Charter a war charter? NEWQUIST will speak at 10 a.m.

in the Varsity Theater on Thursdays, at 2 p.m. in the Varsity Theater on Principles, and at 8 p.m. in the Smith Family Living Center Multipurpose area he will speak on National Survival.

At this time there will be a panel discussion including Verlon Anderson and Mephi Kerzianian.

Play Changed

The evening performance of "Coat of Many Colors" scheduled for May 4 has been changed to an afternoon matinee, according to Grant Elkington.

Students holding tickets for the evening performance should take them to the ticket booth where they will be stamped to indicate the change.

The matinee will be at 2:30 p.m. of the same day.

Viets Charge U.S. Bombed Hanoi

(U) (AP)—North Viet Nam said the United States Monday bombed a Hanoi suburban area and charged the raid was a move in expanding the war.

VIETNAMESE News said the charge was contained in a message sent to the National Control Commission in Hanoi Sunday.

The United States has so far denied the bombing of Hanoi or any raids on North Viet.

COMMUNIST report did not mention a suburban area.

The Vietnamese News said four planes were downed in North Viet Nam Saturday and said several pilots were killed.

OFFICIALS in Saigon re-

ported the loss of three planes Sunday but said all five crewmen were rescued.

The broadcast quoted the message sent to the International Control Commission—made up of representatives from Canada, India and Poland—as saying:

"THIS IS a new step in the war of destruction conducted by the U.S. imperialists against the democratic republic of Viet Nam, a brazen challenge to peace and justice-loving public opinion in the world. These reckless air raids prove that the U.S. imperialists are deliberately intensifying and expanding their war of aggression in an attempt to save their present drastic situation in South Viet Nam."

"These acts of war of the U.S.

imperialists decidedly cannot save them from inevitable failure in South Viet Nam but only expose further their extremely bellicose nature and invite sterner condemnation by world public opinion.

U.S. Urges Arab-Israel War; Egypt Agrees Conditionally

(U) (AP)—Syria, Syria, (AP)—Syria's chief of State, Dr. Nureddine said Sunday this country will aid all the necessary for a Palestine liberation against Israel.

ARGED all Arab countries Syria's suit and discard intervention by imperialists under the pretext of safety; stability in the Middle East can be no stability in the East as long as usurpation land and rights exists in it," Atassi said at a military conference in Hama, central Syria.

On the 21st anniversary of the 1948 Arab-Israeli war, Atassi said that the government's policy of strict neutrality was one.

President Gamal Abdel Nasser said in an interview Sunday that the United Arab Republic would launch a "divine war" against Israel if need conclusive proof Israel developing nuclear weapons. "We have a reactor, 24 men and they have the Plutonium," Nasser said at Tel Aviv. "What will be the result? The result will be to produce atomic weapons which will be a threat to us and

all the other Arab countries," he said, "so if we are sure that they are preparing atomic weapons, we will have to begin a preventive war."

Two Senators Say U.S. Must Leave If Viet Nam Asks

WASHINGTON (AP)—Two senators, a Republican and a Democrat, said in separate interviews Sunday that if a freely elected government in South Viet Nam asks the United States to withdraw its forces, it would have to comply.

SEN. JACOB K. JAVITS, R-N.Y., who visited South Viet Nam several weeks ago, said in a television radio program taped for New York stations "We are looking toward a situation where there may be a Buddhist-dominated government, and the government may well express itself as not wanting us."

In such a case, Javits and Sen. John C. Stennis, D-Miss., chairman of the Senate Preparedness Subcommittee, agreed they would oppose keeping U.S. forces in that country.

Rehearsing for the graduate play scheduled for Thursday and Friday are cast members portraying symbolic characters. The production is based on a modern European play and the method of constructivism.

Play To Feature Symbolism

Symbolism in an experiment in constructivism using a modern European play will be featured in the graduate play to be presented Thursday and Friday at 5 p.m. in the Experimental Theater. There will be no admission charge.

LEADING ROLES will be performed by Wayne Turley, Joyce Tarrrier, Jim Good, Hallie Carey, Judy Sealy, and Kathleen Wilson.

Pat Pierce, a graduate student in Drama, is directing the play. According to Miss Pierce, the theme will be best projected communicated through the use of constructivism, a significant fresh form.

THE CHARACTERS are symbols and the appeal to the audience will be through movement language," she stated. She said that the play emphasizes need for imagination and that leading the production should be prepared with a lively imagination.

Potential Employers Seek Students

by Tammy Tanaka
Universe Sports Writer

Placement Center in the Administration Bldg., is a place, well known to seniors, juniors, but little known to visiting students.

Each morning fifteen to eighty students from various parts of the United States come to the Placement Center to interview and graduating students for employment with their organizations.

Each week beginning March 7, a list of visiting employers' representatives from industries, and school banking representatives from the Bank of America, First City Bank of New York, and Wells Fargo. Retailing establishments such as Macy's, Caped and the Emporium were also

represented.

When it is realized that this is only one week and that the recruiting goes on at this pace for many weeks, it can be seen that there are many opportunities on campus for graduating students to meet potential employers.

According to Keith Duffin, Director of Placement, "While the outlook for graduates has been continually good for more than a decade, it is unusually favorable this year."

He noted that in a national survey of job opportunities to graduates conducted by the College Placement Council, the number of offers to technical students by March 1 of this year was 44 per-

cent higher than the number to the same date a year ago.

Indicative of the aggressiveness of this year's recruiting is the example of one prospective engineering graduate who received 18 offers for permanent employment ranging from \$355 to \$783 per month.

Interviews and offers are also plentiful for students graduating in other fields such as teaching, accounting, general business, "liberal arts," and for those receiving two and four year technical degrees.

Mr. Duffin points out that not all graduating students are "placed" as a result of campus interviews, and that the Placement Center is provided with both staff and materials to help students help themselves in finding excellent beginning opportunities. Company lists, directories, information on how to prepare an application letter or resume, or how to improve interviewing effectiveness, plus other information is available to students needing or requiring help.

"The Placement Office is a sort of crossroads for the nation's employers and the graduating students," says Mr. Duffin.

Chamber Group Exchanges Concert

Y Lambasts Ute Diamond Mer

by Gorm Klungvick
Universe Sportswriter

The Cougar diamond nine jumped off to a giant leap for the Northern Division crown of the Western Athletic Conference Friday and Saturday by romping the University of Utah Redskins in a three-game series.

THE VICTORIES, highlighted by a fight in the third inning of Saturday's opener, was sweet revenge to the Cats who dropped four out of five to the Utes, Northern Division title holders, last year.

Precise pitching for the Cougars and a hitting attack that wouldn't quit spiced the Puma attack. Frank Lolich, pitching the opener Saturday, and Jim Henderson, chucking in the night cap, allowed only five hits apiece in turning back the Utes, 3-2 and 12-3. A five-home-run barrage in the second game, two of them by first sacker Bud Parker, sparked the Cougar win.

THE CAT NINE upended the Redskins in Friday's series opener by a 19-5 margin.

The fight which broke out in the third inning on Saturday's opener, was sparked in the second inning.

Cougar catcher Tom Fife struck out at his turn to bat in the second and on turning to the dugout was flagrantly pushed on what was supposed to be a tagout by Redskin catcher, Michael Disorbio, a lippy five-footer from Salt Lake.

LEADOFF MAN for the Utes in the third was Disorbio, who also struck out and got a return tagout from Fife. Disorbio, bat in hand, wheeled and clubbed Fife in the back of the head with his bat, sending the Cougar catcher to the ground. The action brought the entire Cat dugout to the field in pursuit of Disorbio, who was aided by the entire Redskin team. Tempers flared and the gang fight continued as umpires and coaches tried to stem the rioting.

Disorbio was helped off the field by the umpire and ejected from the game for his action. He was in no condition to continue the game anyway. Fife required three stitches to close the wound in his head.

THE CAT horseholders exploded for thirteen runs and pitchers Bob Foderaro and Jim Englehardt gave up only five hits to whip the Ute slug 13-6 in the first squall-off of the season for the two teams at Derry's Field in Salt Lake on Friday.

A three-run homer over left center by John Greene in the first inning initiated the vicious attack. Cougar scoring was supplemented with a triple by Tom Fife and

doubles by Tom Weir, Garberis and Jerry Scheura.

THE ONLY REAL contest a series was the opener of Saturday.

The Cats started the scoring in the first inning with Greer scoring on a Dennis Lamb double. The next few innings was the down for both clubs until fourth when Ute Dave Edwards doubled the scoring with a double.

THE SCORING was at a still again until the eighth when Redskins went ahead on a Car error. Cat fielder John Green rounded out the scoring in the 10th of the eighth with a two home run, putting the Pumas in a win column with a 3-2 victory.

Showing they are currently rated among the top collegiate track squads in the nation, BYU's trackmen ran over teams from Arizona State and Utah Thursday night at Tempe, and Arizona and Long Beach State on Saturday at Tucson, scoring over 100 points in each meet.

RON MORGAN set a school record of 9:03 in the two-mile run in Thursday's action in which the Cougars scored 101 points to 51 for Utah and 50 for Arizona State. The old record of 9:02.3 was set by Dick Kremer in 1964.

Led by Bob Delaney and Bob Richards, the Cougars swept the mile run in Saturday's meet in accumulating 101 points to 56 for Arizona and 24 for Long Beach State.

FIRST PLACE winners in both meets included Ken Patera in the shot put, Al Rockwell in the high hurdles, Ron Stone in the 800 yard run, Mike Douglas in the intermediate hurdles, Pete Dens in the triple jump, and Morgan in the two-mile.

OTHER Y players, John and Rod Allin, finished under 68 Allin boasted a 71. Kean solid hitter from Hunter, earned in an even 72 for the and Allin defeated Morris

Jackman, the defending Provo City Champion, and Max Fillmore, a player from 1938.

IN ANOTHER foursome, Jack Chapman added his 74 to Kean Rudd's 72 to top scores of 76 and 79 from alumni dividers Lynn Bell and Phil Cannon.

Former Montana Amateur Champion and 1965 BYU graduate, Mike Reasor, also had a par score of 72 for the alumni. And that, along with Gil Torres' 77, was enough to beat Mike Taylor and Craig Rudd, who had 73 and 75, respectively, in match play. Torres is a former Provo Open Champion.

ALUMNUS KENT Udellm, a former Idaho State Amateur Champ and a member of the first BYU golf team (1947), turned in a 78 for the eighteen holes. His partner, Doug Swendsen, who is Coach Tucker's assistant this year, had

a 73. They were edged in match play by Mike Smith's 76 and Evans' blistering 66.

Concert Begins Drive

The Community Concert Association has begun its spring membership drive in Utah County with an stated goal of 1000 members—an increase of 300 members over last year.

UNDER THE direction of Dr. Clawson Cannon, president of the local association, the week of April 25-30 has been designated as Community Concert Membership Week.

According to Dr. Cannon, good music has become a vital factor in the cultural and social growth of the United States. Paralleling this, says Dr. Cannon, concerts by world-famous artists and groups which will be brought to Utah county by the Community Concert Association "help to add prestige and distinction to the lives of community members."

COMMUNITY Concerts members this year have heard Ion Voicu, violoncello; Teresa Burghara, operatic mezzo-soprano; Marina Midvany, Russian woman pianist; and Robert McFerrin, Metropolitan pianist.

Already scheduled for next year are Sandor Konyu, (tenor); Ariko, Russian soprano; Yaman, violinist; and Anton Zak, Russian pianist.

PRICE of membership cards are six dollars per year for adult members, and three dollars per year for students. Membership cards entitle Utah county members to attend a minimum of nine concerts by leading artists and groups.

The 1966-67 campaign headquarters will be at 1400 Locust Lane in Provo. According to Dr. Cannon, memberships can be obtained from local workers, or by writing and enclosing a check or money order for the correct amount.

Grad Program Increasing; In 44th Year

The Graduate Program is entering its 44th year at BYU and is a major unit in fostering the University's high academic reputation, according to Dr. Wesley P. Lloyd, dean of the Graduate School.

IN THE 1964-65 year, 322 masters degrees and 35 Doctorates were awarded. This year, with a cumulative enrollment of approximately 1560 graduate students, 400 degrees are expected to be awarded.

At the present time, a Masters degree program is offered in practically all departments of the university, says Dean Lloyd. Doctorates are offered in 14 departments.

THE POLICY for the Graduate School is recommended by the graduate faculty and a council with immediate administration in the hands of the graduate dean. Final policy is subject to approval by the University president.

A trend toward enrollment increases in the Graduate School at BYU is indicated. Throughout the United States, the percentage increase in graduate enrollment now exceeds the percentage increase in undergraduate enrollment, states Dean Lloyd.

(Continued from page 2) about Dr. Kerr which the U.S. Security Department had not? No! And there were no facts to support any assumption to the contrary: there were only baseless implications.

THERE WERE many other ambivalent concepts set forth in the movie. Without regard for equal presentation of the sides. There was much truth in the film and many half-truths. There was much—too much—bias and emotional hysteria in the film which was carried along by the impetus of the standard propaganda techniques such as "name calling" and "glittering generalities."

"Truth is reason, truth eternal" should be our motto in selecting and viewing such a film. The
